[+44 \(0\)1892 506 367](tel:+441892506367)

**I'm a secretarial team leader in the residential team where I assist lawyers in the day-to-day management of high value and complex properties ranging from London houses to farms and estates.**

I have 14 years' experience in the residential property field.

I am focused on providing clients with the full support that they need. Each conveyancing transaction moves at different speeds so being organised is very important

If I'm unavailable, please contact:
