I'm a partner in the real estate team with a focus in the healthcare sector and secured lending transactions.

I lead on a significant number of sales and acquisitions of businesses in the healthcare sector, with strength in dealing with more complex transactions and finding answers to challenging and technical issues. I deal with all corporate elements together with the associated real estate matters, which include lease assignments, new leases and freehold commercial property acquisitions.

I also work with banking clients on their secured lending matters, primarily in the healthcare and charitable sectors.

Areas of expertise:

- Sales and acquisitions of **healthcare** businesses
- **Secured lending**
- Commercial leases

Qualifications and memberships

- Admitted as a solicitor in December 2015
