

### Non-Executive Director

**I'm a non-executive director on the Board, here to bring a fresh pair of eyes and a different perspective and to listen, challenge and support.**

My role is to work with the Board to help shape and deliver our strategy, and to support the wider executive team to help make a positive difference to our clients, our people, our community and our planet.

I began my career as a corporate lawyer and have since spent most of my career in and around law firms and other professional services firms, in People and Strategy roles.

I was on the team that led the merger and subsequent integration of CMS, Nabarro and Olswang in 2017, and the book I wrote about everything I learned from that experience was shortlisted for Business Book of the Year in 2019.

These days I have my own leadership advisory business, Altair Advisory LLP, with four partners, and I teach coaching on the Faculty at Meyler Campbell.
