I'm a managing associate in the commercial team assisting clients navigate a range of legal and commercial issues. I specialise in intellectual property.

As a managing associate in the commercial team, I advise on a range of commercial agreements with a particular focus on IP/IT and technology. My clients range from technology start-ups to large multi-nationals. Wherever a client is on their business journey, whether engaging customers, suppliers or others, I help them understand their relationships and ensure their rights are suitably protected by reviewing, drafting and/or negotiating relevant contractual documentation. I strive to give clients not just clear legal advice, but advice with real commercial value.

Areas of expertise:

- **Intellectual property** rights
- IP assignments and licenses
- IP audits
- Confidentiality agreements / non-disclosure agreements
- Research and collaboration agreements
- Information technology
- Software licensing
- Distribution and reseller agreements
- Terms of supply / terms of purchase

Qualifications and memberships

- Admitted as a solicitor in March 2012
- University of Oxford Diploma in Intellectual Property Law and Practice (2014)
- Society for Computers and Law
