I'm a partner in the commercial dispute resolution, and restructuring and insolvency teams, providing robust and practical advice to help resolve commercial disputes.

I have over 20 years' experience handling a wide range of business finance, insolvency and commercial contract disputes.

I have established a niche and loyal practice in the asset-based lending and invoice finance sector, dealing with high value and complex disputes which often involve fraud, freezing assets and enforcing securities to recover sums for lenders.

I also advise on contentious insolvency matters, acting for the administrators, liquidators and trustees in bankruptcy – prosecuting both company and office holder claims to recover funds for creditors.

I am ranked in the leading legal directory, Chambers and Partners 2024.
