### What we'll discuss:

#### Let's rock and roll:

Matthew will be joined in the studio by Lewis Borg, data protection officer at Unilever US who will share practical insights of Unilever's own AI readiness journey. We're getting super-practical in this episode and explaining what organisations can start doing to comply with EU AI Act and UK AI laws.

#### An Uber fine!

Matthew recaps the details of the Uber €290m fine and explains the importance of complying with international data transfer rules.

## Mad For It:

We find out if Oasis responded to Matthew's data protection complaint in part 2 of See It, Say It, SAR It.

## 3 great things:

Our AI elves relay 3 awesome things that AI has done since September.
